The banner features a blue and white design with a stylized circuit board pattern. It includes images of a futuristic car, a modern bus, and various electronic components like a microcontroller and a battery pack. The text is arranged in a vertical flow, with the company logo at the top and a list of services at the bottom.

CDI

A woman with long dark hair, wearing a black top, is sitting at a light-colored table. She is smiling and looking towards the camera. On the table in front of her are several items: a black laptop, a clear plastic water bottle, a pair of red sunglasses, a bunch of red pens, and several brochures or flyers. One brochure is prominently displayed in the foreground, showing a person in a white lab coat. The background is a plain white wall with several posters and notices pinned to it.

LEADER EN INGÉNIERIE, CONSEIL EN TECHNOLOGIES  
ET DIGITAL MANUFACTURING

The banner features a large, stylized red wireframe graphic of a mechanical or industrial component, possibly a turbine or engine part, positioned above three people (two men and one woman) standing in a modern office or industrial setting. The text is in French, promoting career opportunities at Sogeti High Tech. The banner also includes the company logo and a list of service areas: Système, Mécanique, Logiciel, Testing, Sécurité, and Conseil. At the bottom, it states 'LEADER EN INGÉNIERIE, CONSEIL EN TECHNOLOGIES ET DIGITAL MANUFACTURING'.
